IT'S YOUR GIRL BIGG BRITT, THE BIG ONE NOT THE LITTLE ONE

"I don't just make club records—I make moments."

Representing Tampa, FL, Bigg Britt is a high-energy powerhouse carving her lane in Southern hip-hop with a sound that's built for the city and the nightlife. Closely tied to Tampa's jookish vibe, she delivers bold, chant-ready anthems with bounce-heavy production, sharp confidence, and a presence that commands the room the moment she touches the mic.

Known for her crowd control and performance intensity, Britt has made a name for herself on the Ybor City circuit, lighting up stages at spots like Club Skye and District 8 while building a loyal following that moves with her. Her 2023 twerk anthem Super Soaker helped push her buzz into overdrive, proving she's not just making music—she's fueling the energy that keeps Tampa lit.

With a growing catalog of club bangers and street-ready talk, Bigg Britt isn't just an artist—she's a brand, a wave, and a Tampa voice you can't ignore.
